

RADIANT P1210 POINT-OF-SALE TERMINAL

for the retail and hospitality industries

TODAY'S OPERATORS FACE MORE CONSUMER DEMANDS AND COMPETITION THAN EVER BEFORE. AS A RESULT, SALES GROWTH HAS BECOME AN URGENT PRIORITY. INCREASINGLY, OPERATORS ARE LOOKING TO MAKE SMART INVESTMENTS IN INNOVATIVE POINT-OF-SALE TECHNOLOGY THAT DELIVERS EXCEPTIONAL SPEED AND RELIABILITY AT AN AFFORDABLE COST OF OWNERSHIP.

THE RADIANT P1210 POINT-OF-SALE TERMINAL COMBINES A RETAIL-HARDENED DESIGN WITH HIGH-PERFORMANCE, OPEN TECHNOLOGY, DELIVERING THE SPEED AND RELIABILITY YOU NEED TO DRIVE TOPLINE GROWTH. IT'S A COST EFFECTIVE SOLUTION THAT CAN SUPPORT A VARIETY OF POS SOFTWARE APPLICATIONS – ALLOWING YOU TO MAKE INCREMENTAL, LONG-LASTING INVESTMENTS IN YOUR BUSINESS.

RADIANT P1210 POS

Radiant's cost-effective P1210 POS solution provides the ease of use, flexibility, and reliability for successful operation in a variety of retail and hospitality environments.

IMPROVE SPEED OF SERVICE

Increase customer throughput, improve order accuracy, and significantly reduce cashier training – high-performance technology, easy-to-use touch screens, and exceptional reliability help you provide fast, accurate service.

MAXIMIZE SYSTEM UPTIME

Provide consistent customer service even during the busiest times with a fit-for-purpose POS terminal. Withstand challenging operating conditions found in extreme retail and hospitality sites.

INCREASE FLEXIBILITY

Leverage industry-standard components, numerous powered peripheral ports, and advanced technology to meet your business needs today and in the future. Easily integrate the solution with your site's network and other technology systems. Use the terminal for both POS and self-service applications. Run Aloha, Radiant, or third-party POS software.

ACHIEVE A SINGLE POINT OF ACCOUNTABILITY

Use a single source for a comprehensive, integrated hardware and software solution for your operations. Reduce implementation risks and optimize the technology solution for your operating environment.

REDUCE COST OF TECHNOLOGY OWNERSHIP

Ensure longevity of your technology investment – use a solution designed for extreme retail environments, built with industry standard components, and backed by comprehensive support and return-to-service capabilities.

Radiant P1210 POS Terminal Features:

- ▶ Resistive touch screen
- ▶ Fully-integrated, low-profile, liquid- and tamper-resistant housing
- ▶ 3.5" hard drive for high capacity storage
